Hello friends.

Late again! But all good things come to those who wait. Hopefully this tome is one of these 'good things'.

In the last newsletter we talked about our Trivia Night, and now we are in the process of gathering info for the next one!

In the last newsletter we talked about the Art Weekend, and now we have already set the date, and are taking bookings for the next one.

How time flies.

In the last newsletter we talked about the lack of rain, and now we have had lots and lots of rain and Lake Moogerah is now about 70% full. Highest it's been since we arrived here seven years ago. Good to see.

And of course, despite the rumours getting about that we have sold and this place is closed, as you see we are still here. Pass it around...

Cheers,  
Sue & Jaak

As you all know, we are open for all nudists, be they white, black, red or any other colour; be they politicians, teachers, milk vendors, farmers, shopkeepers, managers, secretaries, judges, barristers, doctors, retirees, mechanics, builders etc etc; be they Australians, or Kiwis, or Poms, or Yanks, or from Mars, or wherever; be they rich or poor, we don't care (as long as they pay their bill!) but it saddens our hearts when we get visitors who have had to resort to a really old car to get about - and a Ford at that!  
Sad... really sad.

It was an Arabian Night that brought out these 'lovelies'. Go to page 4 for more.
